Wrap-Around Wire & Cable Labels

Our self-laminating thermal-transfer barcode printable labels for wires and cables are perfect for identifying curved wires. These wrap-around labels are provided with a clear laminate, applied over the label that protects them and their printed information from abrasion, scratching, and chemical exposure, as well as elevated temperatures up to 150°C/302°F. They also comply with ROHS/ Regulation 2002/95/EU.

SKU#	Total Label Size Inches (W x H)	Total Label Size mm (W x H)	Printable Area Inches (W x H)	Printable Area mm (W x H)	Core	Labels/Roll	Colors

Thermal-Transfer Flag Labels for Wires & Cables

These thermal-transfer printable flag labels are perfect for identifying wires and cables with easy-to-read information. The labels hang neatly on cables, ideal for labeling coaxial, shielded/unshielded twisted-pair cables, fiber optic, USB, display, and other communication/data cables. These hang tag style electrical labels are also heat and abrasion-resistant. Available in a wide range of colors for color coding.

Wrap-Around Laser Labels for Wires

Our laser printable wire and cable labels offer a durable solution for identifying your wires and cables that you can print using your existing desktop laser printer. These self-laminating laser labels are resistant to alcohols, abrasion, and extreme temperatures, from -196°C/-321°F to +149°C/+300°F, suitable for indoor and outdoor environments. They also comply with ROHS (2 & 3) and REACH.

SKU#	Total Label Size Inches (W x H)	Total Label Size mm (W x H)	Printable Area Inches (W x H)	Printable Area mm (W x H)	Available Colors	Labels/sheet
ZLWA-118-1	1" x 0.34" + 0.41" Wrap	25.4 x 8.6 + 10.5 Wrap	1" x 0.34"	25.4 x 8.6	White + Transparent Wrap	91
ZLWA-119-1	1" x 0.5" + 0.83" Wrap	25.4 x 12.7+ 21 Wrap	1" x 0.5"	25.4 x 12.7	White + Transparent Wrap	49

Laser Flag Labels for Wires and Cables

These flag labels for laser printers allow cable and wires to be neatly identified, providing a greater print area than wrap-around labels, making them easier to read. Printable using common desktop laser printers, they can be printed on both sides with read-able text as well as barcodes for added visibility and improved scannability. Water-resistant, they are ideal for improving cable organization, while their adhesive- design ensures no adhesive residue remains after removal.

SKU#	Total Label Size Inches (W x H)	Total Label Size mm (W x H)	Printable Area Inches (W x H)	Printable Area mm (W x H)	Colors	Labels/sheet
